By this Fee Application, PSZJ seeks interim allowance and payment of all compensation for services rendered during the Interim Compensation Period.

### **Background**

3. On October 1, 2020 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code with the Bankruptcy Court for the Southern District of New York. The Debtor is operating its business and managing its properties as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in this case.

4. On October 16, 2020, the Office of the United States Trustee (the “UST”) appointed the Committee pursuant to Section 1102 of the Bankruptcy Code. The Committee consists of nine individuals who hold claims against the Debtor, including eight individuals who were sexually abused as minors by perpetrators for whom the Debtor was responsible and one representative of a minor with a civil rights claim against the Debtor.

5. Following the Committee’s appointment, the Committee elected a Chair, determined it needed counsel and, subject to Court approval, hired PSZJ on October 16, 2020.

6. On November 04, 2020, the Committee filed for Entry of an Order Under 11 U.S.C. §§ 1103(A) and 328(A) and Fed. R. Bankr. P. 2014(a) Authorizing the Employment of Pachulski Stang Ziehl & Jones LLC as Counsel to the Official Committee of Unsecured Creditors Effective as of October 16, 2020 (the “Retention Application”). As set forth in the Retention Application, the Committee selected PSZJ to provide the following services to the Committee:

- a. assisting, advising and representing the Committee in its consultations with the Debtor regarding the administration of this Case;
- b. assisting, advising and representing the Committee in analyzing the Debtor’s assets and liabilities, investigating the extent and validity of liens or other interests in the Debtor’s property and participating in and reviewing any proposed asset sales, any asset dispositions, financing arrangements and cash collateral stipulations or proceedings;

- c. reviewing and analyzing all applications, motions, orders, statements of operations and schedules filed with the Court by the Debtor or third parties, advising the Committee as to their propriety, and, after consultation with the Committee, taking appropriate action;
- d. preparing necessary applications, motions, answers, orders, reports and other legal papers on behalf of the Committee;
- e. representing the Committee at hearings held before the Court and communicating with the Committee regarding the issues raised, as well as the decisions of the Court;
- f. performing all other legal services for the Committee which may be necessary and proper in this Case and any related proceeding(s);
- g. representing the Committee in connection with any litigation, disputes or other matters that may arise in connection with this Case or any related proceeding(s);
- h. assisting, advising and representing the Committee in any manner relevant to reviewing and determining the Debtor's rights and obligations under leases and other executory contracts;
- i. assisting, advising and representing the Committee in investigating the acts, conduct, assets, liabilities and financial condition of the Debtor, the Debtor's operations and the desirability of the continuance of any portion of those operations, and any other matters relevant to this Case;
- j. assisting, advising and representing the Committee in their participation in the negotiation, formulation and drafting of a plan of liquidation or reorganization;
- k. assisting, advising and representing the Committee on the issues concerning the appointment of a trustee or examiner under section 1104 of the Bankruptcy Code;
- l. assisting, advising and representing the Committee in understanding its powers and its duties under the Bankruptcy Code and the Bankruptcy Rules and in performing other services as are in the interests of those represented by the Committee;
- m. assisting, advising and representing the Committee in the evaluation of claims and on any litigation matters, including avoidance actions; and

- n. providing such other services to the Committee as may be necessary in this Case or any related proceeding(s).

7. On November 17, 2020, the Court entered the Order Authorizing and Approving the Application of the Official Creditors' Committee for Entry of an Order Under 11 U.S.C. §§ 1103(a) and 328(a) and Fed. R. Bankr. P. 2014(a) Authorizing the Employment of Pachulski Stang Ziehl & Jones LLC as Counsel to the Official Committee of Unsecured Creditors Effective as of October 16, 2020 (the "Retention Order"). The Retention Order provides that all compensation and reimbursement of costs and expenses incurred during PSZJ's employment be paid only after appropriate application and approval of this Court.

### **Jurisdiction and Venue**

8. This Court has jurisdiction to hear and determine this Fee Application pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409. Sections 328(a), 330, and 1103(a) of the Bankruptcy Code and Bankruptcy Rule 2014 are the statutory predicates for the relief sought by this Fee Application.

### **Billing Practices**

9. PSZJ is applying for compensation for professional services rendered in accordance with its customary practices and in compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, Local Rules, any order establishing procedures for interim compensation and reimbursement of expenses of this Court entered in this case, and any other applicable orders of this Court and guidelines established by the United States Trustee.

10. For professional services, fees are based on the PSZJ's hourly rates. The proposed rates of compensation, subject to final Court approval, are the customary hourly rates in effect when services are performed by the professionals and paraprofessionals who provide services to the Committee. In the Retention Application, the standard hourly rates for the PSZJ

attorneys who are expected to primarily work on this matter were \$1,195 for James I. Stang, \$1,075 for Karen B. Dine, \$995 for Kenneth H. Brown, \$825 for Gail S. Greenwood, \$795 for Ilan D. Scharf, and \$650 for Brittany M. Michael. PSZJ's current standard hourly rates are:

Partners	\$725.00 to \$1,595.00 per hour
Counsel	\$650.00 to \$1,195.00 per hour
Associates	\$575.00 to \$695.00 per hour
Paralegals	\$395.00 to \$460.00 per hour

11. PSZJ's hourly rates are set at a level designed to fairly compensate PSZJ for the work of its attorneys and paralegals and to cover fixed and routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned, and by geographic location and market. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere. PSZJ's hourly fees are comparable to those charged by attorneys of similar experience and expertise for engagements of scope and complexity similar to this chapter 11 case and are reasonable.

12. PSZJ proposes to reduce its hourly rates for the benefit of the Committee's constituency (i.e., holders of tort claims against the Debtor). In order to assure that any price reduction inures solely to the benefit of the Committee's constituency, PSZJ will hold ten percent of all fees received in this Case in a trust account to benefit this Case's tort claimants. The funds will be held until a trust is established through a plan of reorganization. If no such trust is created, the funds will be donated to a child advocacy organization to be selected by the Committee at the conclusion of the Case.

13. PSZJ will also seek reimbursement for actual and necessary expenses incurred in connection with its engagement by the Committee in this Chapter 11 case. It is PSZJ's

policy to charge its clients in all areas of practice for all other expenses incurred in connection with the client's Case. The expenses charged to clients include, among other things, telephone charges, mail and express mail charges, fax charges, special or hand delivery charges, document retrieval, photocopying charges, charges for mailing supplies (including, without limitation, envelopes and labels) provided by PSZJ to outside copying services for use in mass mailings, travel expenses, expenses for "working meals," computerized research, transcription costs, as well as non-ordinary overhead expenses such as secretarial and other overtime. PSZJ will charge the Committee for these expenses in a manner and at rates consistent with charges made generally to PSZJ's other clients, and all amendments and supplemental standing orders of the Court. PSZJ believes that it is more appropriate to charge these expenses to the clients incurring them than to increase its hourly rates and spread the expenses among all clients.

14. PSZJ maintains contemporaneous records of the time expended and actual, necessary expenses incurred in support of its billings. Time entries are recorded in six-minute increments.

15. All services for which PSZJ requests compensation were performed for or on behalf of the Committee. PSZJ has received no payment and no promises for payment from any source other than the Debtor for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Application. PSZJ has not received a retainer in this case. PSZJ has not entered into any agreement, express or implied, with any other party for the purpose of fixing or sharing fees or other compensation to be paid for professional services rendered in this case. No compensation will be paid to PSZJ or any member thereof in connection with this case other than in accordance with the provisions of the Bankruptcy Code.

### **Monthly Fee Statements**
